ONE IMPROVEMENT

I am not wise, I know,
And so confess.
But as I older grow
I show off less.

M. M. GARY PROMOTED

Mr. M. M. Gary, who has for the past several years been in charge of the American Tobacco Company plant here and the chief buyer of the company on the local market, has been notified that he is to take charge of the company's interests in Lexington, to take the place of Mr. J. B. Noel, who recently resigned. It is not known yet who will take Mr. Gary's place here.

\$1.00 SALE OF WOMEN'S LOW SHOES

Friday, Saturday and Court Day, we will put on sale broken lots and sizes of women's low shoes, sizes 2's to 5's, \$3 to \$5 values, to close out at \$1.00 a pair.

BARKLEY'S SHOE STORE, Inc.
HARRY BARKLEY, President.
Opposite State National Bank.

Mrs. Catherine Hemerle of Newport has returned home after a pleasant stay of a week with Mrs. Louisa Helmer and family of West Third street.

A NEW BARRETT-LINE TOWBOAT

The Dover News says: A new towboat built for the Barrett Line has just been completed ready for the machinery at the Garrett Boat Yards at Leavanna, across the river opposite Dover. About 30 men are employed at the Leavanna Mills at present. Some time ago plans were on foot to turn these yards into a plant for constructing steel hulls and barges instead of wood, but the war interfered and the contemplated change has been postponed.

FARM SALE

The William Gantley farm located on the waters of Mill Creek near Wadonia, Ky., containing about 112 acres of excellent land, well located and improved and on good road, will be sold on the premises to the highest bidder at 2 o'clock p. m. Saturday, September 8th, 1917, on liberal terms of credit.

JAMES GANTLEY, Executor.

GRAND LODGE REPRESENTATIVES

John C. Rains and John D. Wood were elected at the meeting last Wednesday evening to represent Ringgold Lodge No. 27 I. O. O. F. at the Grand Lodge to be held at Middlesboro during the week beginning October 9.

Miss Allie Wells, after spending the summer with her parents, Mr. and Mrs. Robert Wells, of East Second street, left yesterday afternoon for Portland, Oregon, to resume her work, she being a teacher in a large school. She was accompanied as far as Cincinnati by her father.

"WHY WE ARE AT WAR"

MASTERFUL ADDRESS DELIVERED BY BISHOP ANDERSON AT THIRD STREET M. E. CHURCH LAST NIGHT.

Dr. Walsh Delivered Semi-Centennial Sermon in the Epworth-Afternoon Service Charge of the Woman's Foreign Missionary Society.

Yesterday was another big day in the Conference. Several more preachers arrived, and the church was full of out-of-town visitors. Those in attendance bring word that large delegations will visit the conference from day to day. The big crowd of the Conference will be present Sunday. It is the day when the bishop preaches his Conference sermon. This will be delivered at the morning hour. In the afternoon the Conference missionary sermon will be preached by Rev. T. M. Anderson, the eloquent young minister from Barbourville. Then will come the ordination of those ministers who have completed the prescribed course of study and preparation and made elders. This is a most impressive service and will be attended by large numbers.

The Conference opened with devotional exercises conducted by Bishop Anderson. The first chapter of the book of Hebrews was read and prayer was offered by Revs. Thomas Green and J. M. Bennett. Following the reading of the journal was read by the secretary and the conference got down to the business of the day.

On motion of Rev. F. W. Harrop the pictures of W. H. Childers and Mrs. H. C. Northcott, deceased during the year, will be given a place in the Conference minutes.

The Fourteenth question was resumed, Rev. W. W. Shepherd, District Superintendent of the Louisville District was called, his character passed and he read his report. A very interesting report was given, showing that the work of the church down in the pennyroute country is on the move. A distance of 137,000 miles was traveled by Rev. Shepherd during the year and 331 sermons preached. All will agree that this is enough to keep any healthy man busy. This is Brother Shepherd's first year as a District Superintendent.

Rev. William Jones gave his report as Sunday School Missionary for the Conference. The work of the Sunday Schools has developed greatly through the efforts of Brother Jones.

The report of Rev. J. T. Martin, missionary evangelist for Southeastern Kentucky, was next given. The work of Rev. Martin as planned at the last annual Conference was sort of an experiment. Five hundred dollars missionary money was set aside for the work. This has proven an excellent investment according to the report of Rev. Martin. Sixteen new congregations have been organized in that section of Kentucky and four circuits will likely be formed and pastors appointed to take care of them at this Conference. Relative to this work, Rev. Harrop took the floor and made one of the strongest speeches of the Conference in the interest of the work.

During this talk he referred to the fact that with all the organization of the church there had been an increase of only 438 members since 1890. He said there must be something wrong with us preachers and suggested that it would not be out of place for them to do a little repenting for neglect of duties. Another matter of interest in the speakers remarks was that in this period of time there had been 150 preachers transferred out of the Conference and none received in return. And nearly all have made good. He suggested that the missionary society could well spend twenty thousand dollars a year in Kentucky to train young preachers for the rest of the church. There is no shortage of preachers in the Kentucky Conference. Twelve or fifteen young men are up for admission this year. Further comparisons for the church between the years 1890 and 1917; 242 church buildings then, 293 now; \$11,917 dollars pastoral support then, \$20,735 now; an increase of \$3,460 in benevolence. An average increase of \$50 in salaries for the last year. The speaker then referred to the need of work in the mining camps of the mountain section. Camps are being opened up continuously with most of the miners out of the church. He said a large corporation had just recently purchased 14,000 acres of land near Harlan and on it would be built a model town and a town would not be a model town without a Methodist preacher. A great force for good in this section according to the speaker is Union College. This institution is doing a remarkable work for the young men and women of this section.

Revs. E. L. Shepherd and William Jones also spoke of the need of developing the work of the church in this section.

An auditing committee consisting of E. P. Hall, H. D. Cooper and Charles Mitchell was appointed to audit the pastors reports.

Rev. H. H. Meyer addressed the Conference again on another phase of the Sunday school work.

Rev. W. A. Robinson, D. D., representing Christ Hospital of Cincinnati was introduced and addressed the Conference in the interest of that institution.

Bishop Anderson reported the receipt of a check for \$400 from Secretary Hingley of the Board of Conference Claimants to be used in pensioning the old preachers.

Dr. J. D. Walsh, J. N. Eason and Rev. A. P. Felts were appointed a committee to bring in nominations for the Conference Board of Education.

According to announcement Rev. J. D. Walsh preached his semi-centennial sermon. His subject was "Kings, Kingdoms and Peace" taking as his text the second Psalm. The sermon was a truly great production, just such a sermon as we all knew Dr. Walsh could preach after such a long experience in the ministry. Dr. Walsh informs us that he was pastor of the Third Street Church, this city just forty-eight years ago. At that time he was but a youngster in the ministry, forty-eight years ago. At that time Third Street Church, during his long

ministry he has filled many important stations in the work of the church.

A complimentary resolution relative to the coming of Bishop Anderson to preside over the conference at this time, delaying his visit to the work of the church in France and northern Africa until he had held the Conferences in this Area.

Mr. and Mrs. L. H. Wilson of Newport, and Miss Frances Scott of Indiana were introduced to the Conference.

The time for the noon lunch had now arrived and all repaired to the dining room where an elegant dinner was served. Following the dinner the Rev. G. W. Bunton, D. D., of Dayton, Ohio, formerly a popular pastor of several Kentucky churches including the Third Street Church, was called upon for a speech. And maybe he didn't speak! The way he poured the jokes into his former colleagues of the Conference was a sight. He got off several take-offs on the preachers that brought down the conference with laughter and applause. Bunton is one of the most popular fellows that ever served a Kentucky church.

And now that he has risen in the world to be the pastor of one of Dayton's largest churches the Conference rejoices that he is a production of Old Kentucky. He is now in the thick of a big church-building enterprise, a church to cost \$250,000. He paid the Third Street Church the fine compliment that it was the only church in Kentucky that could entertain the Conference in such royal style on such short notice.

During the afternoon the Women's Foreign Missionary Society had charge. Mrs. L. H. Wilson presided and Miss Frances Scott gave the address.

At 4 o'clock Dr. Meyer again spoke. He was followed by Don Nicholas who is speaking on evangelism. Dr. Franklin of Union College also spoke along this line.

At the evening session Bishop Anderson gave his great lecture on "Why We Are At War" before the largest crowd yet in attendance. The address was a wonderful presentation of facts concerning the great war. Those who heard were well repaid for coming.

Preachers registering during the day were:

W. A. Robinson, Cincinnati.
Rev. G. W. Bunton, D. D., Dayton, Ohio.

A. P. Smith, West Union, Ohio.
Don Nicholas, Cincinnati.
J. M. Evans, Norwood, Ohio.
J. B. Kenyon, Barbourville.
E. L. Sanford, Lexington.
W. S. Peters, Williamsburg.

Mr. E. H. Rue of New York is visiting the conference in the interest of the World Outlook, one of the finest publications of the church.

Rev. J. T. Robinson of Layton, and John Tippet, Charles Steward and W. C. Harrington of Painesville, are in attendance at the Conference.

Miss Virginia Mae Hurd returned from her Michigan vacation yesterday to be present at the sessions of the Conference.

The following ministers wives are in attendance: Mrs. J. M. Lital and Mrs. Felts of Covington; Mrs. J. H. Howes of Wallingford and Mrs. T. M. Anderson of Barbourville.

Mr. J. Robert Hinton of Epworth was attending yesterday.

Mr. Rupert Huntsman and daughter, Rheba, and son, Murrell of Scottsville arrived yesterday on a visit to the Conference and the pastor, Rev. S. K. Hunt and family.

The Conference was most fortunate in securing for tonight's service Dr. E. C. Wareing, of Cincinnati, editor of the Western Christian Advocate, who will give an address. Dr. Wareing made an address at the Third Street M. E. Church several years ago at an anniversary service of the Epworth League and those who heard him at that time will want to hear him again this evening. He is one of the really big men of Methodism and deserves to have a crowded house to hear him.

Following is the program for today and tomorrow:

Friday, August 31

8:30 a. m.—Devotional Service, conducted by Bishop William F. Anderson.

9:00 a. m.—Conference Business.

12:00 m.—Adjournment.

Afternoon

1:30 p. m.—Preachers' Relief Association.

2:30 p. m.—Anniversary Woman's Home Missionary Society—Mrs. C. A. Berry, presiding. Address, Mrs. B. H. Kaighn, Newport, Ky.

MISS CARTMELL'S COMMERCIAL SCHOOL

First-Standard Bank Building, Maysville, Ky.

Will open Tuesday, September 4th, 1917, with a specially arranged course in Stenography, Typewriting, and Bookkeeping, which will enable the young men and women in the shortest time possible to fill the vacancies caused by the heavy draft made upon the business concerns of the County by the Federal Government in these branches.

Our Government's Needs Must Be Supplied.

It is both your plain and patriotic duty to qualify and fill the positions thus vacated, thereby contributing to our Country's Strongest Defense—PROSPERITY THROUGH COMMERCE.

For further information apply to or address Miss Charlotte, Cartmell Principal, or Miss Margaret Brown, Teacher of Bookkeeping. Telephone 359 or 162.

"UNCLE SAM" WANTS DOYER TOMATOES

The Dover Canning Company has been notified to set aside eighteen per cent of its output of tomatoes this year for the use of the Government. This would indicate that nearly one-fifth of the product of all of the canneries will be taken over for the use of the army. Little attention was paid to the first notice, but when the second notice came the officials lost no time in replying, "all right, Uncle Sam, you win. The tomatoes are yours."—Dover News.

BIRTHDAY PARTY

The home of Mr. and Mrs. Duke White was a scene of beauty Wednesday afternoon when 38 little folks assembled in honor of the sixth birthday of their little daughter, Evelyn Florence. She was the recipient of many lovely gifts. The afternoon was spent in playing games, after which refreshments were served and the little tots returned home wishing Miss Evelyn many more happy birthdays.

WANTED
FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10 AND 18 YEARS TO JOIN OUR
MASON COUNTY HEIFER CLUB
Believing that the future progress and prosperity of Mason County depends upon the continuing development of its Agricultural interests and the business efficiency of our future Farmers, with the hope of being able to aid in those directions, we have decided to organize a Heifer Club for the Farmer Boys of Mason County.
ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase Fifty Grade Shorthorn Heifers, about eight months old and weighing about 600 pounds, which we will distribute among the first fifty Mason County Farmer Boys, between the ages of 10 and 18 years, that apply for and agree to care for same and that can execute a bankable note covering the cost of the Heifer; which note shall be payable in the fall of 1918.
The Heifers will be bought by expert cattlemen connected with the Extension Service of the State College of Agriculture and be distributed among the boys by lot. Each boy will be given the same chance to make good, and required to become a member of the Mason County Boys' Agricultural Club and to care for the Heifer under the directions of the County Agent; to have the Heifer bred to a pure bred Shorthorn Bull, this fall, and to have her and her offspring ready for public exhibition and sale in the fall of 1918.
You will not be expected to put up a cent of money now; but, you must properly care for the Heifer and pay for it later and all the increase and profit will be yours.
About \$100 will be given away in prizes to the boys getting the best results, with their Heifers, at the exhibition to be held in the fall of 1918.
For full particulars call at Bank or see Mr. E. F. Boyd, Jr., County Agent, at once, as we want to close entries to the club by September 1st.
We are anxious to help Boys that are willing to work and learn.

First-Standard Bank & Trust Company

WANTS INFORMATION AS TO SEED STOCKS

The fact that in some sections there is a shortage of good seed while in others there is a surplus makes it possible for the Committee on Seed Stocks of the United States Department of Agriculture to help in the distribution of these surpluses. The Committee wishes, therefore, to locate all available stocks of good seed of agricultural crops, especially wheat, oats, rye, crimson clover (in the hull of hull), and hairy vetch. The Committee will be glad if anyone, farmer or dealer, will send information in regard to the quantities and prices of seed of the above sorts which he can offer for sale f. o. b. his shipping point, bags extra or included as the case may be. The information should give in each case the name of the variety (especially in the case of grain crops), condition of the seed as to purity, year grown, and the price. The Committee will then undertake to get such information into the hands of those who want the seed. The Committee hopes that this request will receive wide circulation and an immediate response, as it is now time to get seed in the hands of planters for fall use. Address Committee on Seed Stock, U. S. Department of Agriculture, Washington, D. C.

"Resistance to draft" stories have no doubt been exaggerated by sensation hunters, but Provost Marshal General Crowder has done well to announce that drafted men who fail to report, thus failing to take advantage of possible opportunity for exemption or discharge, will in due course automatically become soldiers, failure to show up then constituting desertion and calling for court martial. This important statement of fact is followed by the impressive reminder that "desertion in war time is a capital offense." The drafted man who is neglecting to report can hardly realize the risks he undertakes.

BATTLE WITH A MOB OF 5,000

New York, August 20.—Disturbance at street corner meetings reached a climax tonight at the gathering of the Friends of Irish Freedom at Thirty-fifth street and Broadway. The police waged a bitter battle with a mob of 5,000 persons, and six persons and six persons were arrested. A veritable riot occurred outside of the men's Night Court when the men prisoners were taken there for arraignment.

It was necessary to summon police reserves to the court building to clear the streets. The iron gates to the building were closed and locked and police had a difficult time preventing the mob from rushing them.

Many persons were trampled on at the meeting itself and also in the disturbance outside the courthouse.

DIZZY SPELLS

Relieved After Taking Two Bottles Of Cardui, Says Tennessee Lady.

Whitwell, Tenn.—Mrs. G. P. Cartwright, of this place, writes: "About four years ago the dizzy spells got so bad that when I would start to walk I would just pretty near fall. I wasn't past doing my work, but was very much run-down."

I told my husband I thought Cardui would help me, as a lady who lived next door to me had taken a great deal, and told me to try it. This was when we were living in Kentucky.

My husband got me a bottle and I took it according to directions. It helped me so much that he went back and got me another bottle. I got a whole lot better and just quit taking it. I got over the dizzy spells. I took no other medicine at that time nor since for this trouble. No, I've never regretted taking Cardui. I felt just fine when I finished the second bottle."

Purely vegetable, mild and gentle in its action, Cardui, the woman's tonic, may be the very medicine you need. If you suffer from symptoms of female troubles, give Cardui a trial. All druggists. NC-129

Womanhood

THE GYPSY OF THE NATION
THE PREPARATION SUGGESTED BY CONNEL ROSEVELT
AND SELECTED BY THE U. S. GOVERNMENT
AS THE MEANS TO INCREASE ENLISTMENTS

AT WASHINGTON OPERA HOUSE NEXT THURSDAY.

Switzerland in times of peace is the country best supplied with hospitals, having nearly eighteen thousand beds, or about six to every thousand of the population.

There is more Cataract in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Cataract is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Cataract Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Cataract Medicine fails to cure. Send for circulars and testimonials.

Hall's Family Pills for constipation.

RECORDS BROKEN BY ITALIAN CAPTAIN FLIES MORE THAN 900 MILES WITHOUT STOPPING

Paris, August 29.—Captain Giulio Laureani, an aviator in the Italian army, has established a new world's long distance flying record by flying more than 900 miles without stopping, according to a dispatch to the Temps from Milan.

The Italian flew from Aurin to Naples and return, a distance of 920 miles as the crow flies. Captain Laureani used a new SIA machine.

Traxels

"THE HOUSE OF QUALITY"

He left Turin at 10:07 a. m., reached Naples, flew over that city and was back in Turin at 8:40 p. m.

The previous long distance non-stop flight record was held by Second Lieutenant Antonione Marchal, a French flier. In June, 1916, Marchal flew from Nancy, France, to near Chelm, Russian Poland, in a Nieuport machine. The distance covered was about 807 miles. During the flight Lieutenant Marchal dropped proclamation on Berlin. He was made prisoner by the Russians at Chelm and was interned.

FOR THE GOOD OF THE COMMUNITY

The real citizens of a community are those who take an interest in its welfare. In a community such as Maysville this does not mean those who are most active in its civic betterment. Every resident can do his or her share in making Maysville attractive to live in.

One of the simplest, yet most successful methods that can be pursued is for the people of Maysville to patronize the men who boost for Maysville. That includes every member of the Maysville Chamber of Commerce. You can find their names printed in the classified membership list in our office. And this list includes practically every line of business.

When a public improvement such as better street lighting, better street paving, new schools, new or improved public parks or more police or fire protection is obtained the cost is paid for out of the taxes paid to the city. And it is equally true that the better business is in a community the larger the amount of taxes received from that community.

Maysville can only hope to receive its share of public improvements represented by the amount of income that it pays into the city. Thus it works out that every resident who makes a practice of buying all possible commodities from the merchants of Maysville is doing his or her "bit" in building up a busier and better community.

CHAMBER OF COMMERCE.

Why not try a Ledger Want Ad?

MOTHER SAID TRY IT

Lydia E. Pinkham's Vegetable Compound Cured Mrs. Copner after Doctor's Failed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's

Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."
—Mrs. JOSE COPNER, 1668 Harrison Ave., Fairmount, Cincinnati, Ohio.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

HOME-READING COURSE FOR CITIZEN-SOLDIERS

(Issued by the War Department and all rights to reprint reserved.)

This course of thirty daily lessons is offered to the men selected for service in the National Army, as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this course is merely introductory.

LESSON NO. 17.

STAFF BRANCHES OF THE SERVICE—II.

(Preceding Lessons: 1. Your Post of Honor. 2. Making Good as a Soldier. 3. Nine Qualities of a Soldier. 4. Getting Ready for Camp. 5. First Days in Camp. 6. Cleanliness in Camp. 7. Your Health. 8. Marching and Care of Feet. 9. Your Equipment and Arms. 10. Recreation in Camp. 11. Playing the Game. 12. Team Work in the Army. 13. Grouping Men into Teams. 14. The Team Leaders. 15. Fighting Arms of the Service. 16. Staff Branches of the Service—I.)

The Staff branches reviewed in the preceding lesson are the General Staff Corps, Adjutant General's Department, Inspector General's Department, Judge Advocate General's Department, Engineer Corps, and Signal Corps. The other three staff branches which all directly touch every soldier are the Medical Department, Quartermaster Corps, and Ordnance Department.

The Medical Department works along two distinct lines: First, it tries to keep everyone in the Army in good health, and for this purpose keeps close watch of the cleanliness of camps and buildings, of the quality and cooking of food, and the like; second, it provides ambulances, hospitals, and medical service for the proper care of sick or wounded men. The Medical Department includes the Dental Corps, the Hospital Corps, and the Nurse Corps. Its officers are experienced physicians who have passed rigid examinations. Its enlisted men are chiefly engaged in the difficult and often dangerous work of rescuing the wounded and transporting them to field and base hospitals.

Just as every man in the Army carries intrenching tools so that he may protect himself without the help of the Engineer Corps when necessary, so he also carries a "first-aid packet," so that he may in an emergency perform some of the duties of the Medical Department. Every soldier learns how to give dressing and treatment to his own wounds when he is able to do so, and how to assist wounded comrades until men from the Medical Department arrive.

Medical Department Efficiency
The Medical Department of the American Army is regarded as one of the best in the world. A soldier may feel assured he will receive every possible attention in case of need. The percentage of recoveries from wounds in the hospitals manned by Americans during the European War has been exceptionally high.

The Quartermaster Corps is the business manager of the Army. It furnishes food, clothing, and most

kinds of equipment; provides horses and mules; arranges for transportation; takes charge of money; buys supplies; pays troops; and keeps on hand stores of supplies.

The importance of all this work can hardly be overstated. Napoleon said "An army travels on its belly," meaning that soldiers must be well fed and well supplied if they are to fight effectively. This is even more necessary today than it was in Napoleon's time. In modern warfare the scale of fighting and the quantities of supplies are so tremendous that the duties of the Quartermaster Corps are multiplied beyond any previous experience.

The officers of the Quartermaster Corps must be able business men. Many of them have held important business positions. The enlisted men of the corps are skilled in such occupations as blacksmithing, painting, driving teams and trucks, baking bread, and the like.

6 Work of Ordnance Department

Of the same general character is the work of the Ordnance Department, which furnishes the guns, ammunition, and other supplies needed for fighting. Several times during the present war whole armies have been forced to retreat or have suffered severely because of the lack of munitions. The quantity of ammunition used daily is enormous. During the French offensive of June, 1917, 12,600,000 shots were fired from artillery guns.

In the actual theater of war the ammunition service is under the control of the Field Artillery. Bringing up supplies of ammunition to troops and to batteries in action is one of the most essential of all duties on the battlefield. The wagons or trucks carrying ammunition must be driven when necessary within easy reach of the firing line. Sometimes there is an opportunity here for the display of resourcefulness and courage far above the ordinary requirements of the service.

At the second Battle of Ypres in April, 1915, the Third Battery in the Third Brigade of the Canadian Field Artillery galloped into position within a few hundred yards of the German front, where they did gallant work fighting against overwhelming odds to hold back the enemy's onslaught. After a time it became necessary to bring up high explosive shells. One of the Canadian gunners tells how they were brought.

"The ammunition wagon containing them came galloping across the open field under a heavy fire, the men lashing their horses and yelling like mad. The horses were simply crazed. Some of them had been hit with bullets, and when they neared our guns the men could not stop them. It looked as though they would go right on to the German lines. There was only one thing to do: The rider of the leading horses drew his revolver and shot them dead. They went down, with the other horses and men and the wagon rolling over and over them. With the high explosives shells we tore the trees to bits and left the whole place open; then our infantry, quickly following up the advantage, drove the Germans back."

The Fight Team

When the three fighting arms and the nine staff corps are all brought together under one control they form what we may call "the fighting team." This is the team in which you and every other soldier must be ready to play your part.

The smallest unit in which all these branches of the service is represented is known as a division. Under present regulations an Infantry division is made up of three Infantry brigades; one brigade of Field Artillery; one regiment of Cavalry; one regiment of Engineers; one battalion of Signal Corps; one squadron of airplanes; together with field trains and combat trains carrying rations, baggage, ammunition, and all kinds of supplies. A division, therefore, is in itself a complete small army. When at full strength it includes 28,334 officers and men. A field army is made up of a number of such divisions.

MORE THAN 5,000,000 FIGHTING FOR GERMANY

New York, August 29.—The Central Empires have more than 5,000,000 men on the Eastern and Western fronts, according to statistics made public today by Stephen Lauzanne, head of the French Official Information Bureau.

"According to official information received in Paris from the Russian General Staff," Lauzanne said, "there are actually on the Russian-Roumanian front 137 enemy divisions (approximately 2,055,000 men), divided as follows:

"Germany. 88 divisions (1,420,000 men.)

"Austria-Hungary. 41 divisions (615,000 men.)

"Turkey and Bulgaria, four each (about 60,000 men each.)

"Of the 88 German divisions, however, 12 only (180,000 men) are active, the others being Landwehr and Land-sturm troops."

As against these figures for the Eastern front, Lauzanne cited that the enemy has 148 divisions (2,220,000 men) on the Western front, of which more than 80 (1,200,000 men) are opposed to the French.

Youth is going to do things tomorrow that old age didn't do yesterday.

Protection from Contagion

Owing to its antiseptic properties, 20 Mule Team Powdered Boric cannot be too highly recommended for liberal use in the care of the person whenever and wherever exposed to any contagious disease. It may be applied as a powder or with water as a solution.

It may be used with absolute freedom and safety in all the natural cavities of the body; physicians almost always prescribe it as an eye water, mouth wash, etc., and wherever introduced the antiseptic action is certain, but there is no danger from its use as there is with some other disinfectants. Insist upon having the original package of 20 Mule Team Powdered Boric and then you know that you have the real article full strength. All leading druggists.

UNEXCELLED SERVICE

A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and kidney disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

Then help the weakened kidneys. Don't expect them to get well alone. Doan's Kidney Pills have won the praise of thousands of women. They are endorsed—Read this Maysville woman's convincing statement:

Miss Dora Edgington, Wood St., Maysville, says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times, my kidneys have become weak and have been irregular in action. My back has ached, too and has been very weak and lame across my kidneys. When ever I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chanslor's Drug Store, if troubled in that way."

Miss Edgington is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgington had—the remedy backed by home testimony. 60c all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

ONLY A TRUCK LOAD!

New York, August 29.—Accused of stealing shoes for the Cuban army, Mathew McGuire and Morris Gershon are under arrest. They are charged with the larceny of a truck load of shoes consigned to the Cuban Government, valued at \$6,000.

Every day some good is due to be done in our little world, and it's our duty to do it. Tomorrow there's some other, or maybe the same good due to be done again. We stay even with the world when we do our duty as it comes due.

SPY SUSPECT AT ASHLAND GIVEN RELEASE

Ashtland, Ky., August 29—John Millady, who has been held in the Catlettsburg jail suspected of being a spy, was released today. W. H. Mosser, in Catlettsburg today and returned postmaster at Vanore, Tenn., arrived with Millady, Mosser says Millady was teaching school and when he received a newspaper containing a list of the ones whose names were drawn for the draft, he flung away the paper on seeing his own name, snatched up his clock and took to the woods and nothing had since been heard from him. He came to Beaver Creek and obtained employment, but after two days left, taking with him five sticks of dynamite and was found with this and with his clock at Lockwood, Lawrence county. He also had a check from the company at Beaver Creek for the amount of his two days' wages which he had never attempted to cash.

WHEAT PRICE FIXED AT \$2.20

Representatives of the Producers Began by Voting for a Price of \$2.50 a Bushel While Labor's Representatives Stood Out for \$1.54 But Finally Compromised on Announced Price.

Washington, August 30—A price of \$2.20 a bushel was fixed for the 1917 crop of wheat by President Wilson tonight on the recommendations of the wheat price committee headed by Dr. H. A. Garfield. The basis will be number one northern wheat delivered at Chicago. The committee finally agreed late this afternoon, after several days of voting. At one time today it looked as if it would be unable to come to a conclusion but just before six o'clock a compromise was reached and the last vote was unanimous.

Representatives of the producers began by voting for a price of \$2.50 and labor's representatives for \$1.84. The two extremes eventually narrowed down until the votes were only a few cents apart and most of today's voting showed only a slight difference. Both factions appeared uncompromising at the start.

On the basis of \$2.20 at Chicago the food administration worked out tonight differentials for the various grades and classes and for the several terminals.

The price fixed tonight is twenty cents higher than that named for the 1918 crop by congress in the food control bill. The \$2.00 price set by Congress was taken into consideration by the committee in considering a fair valuation for this year's crop.

In a statement accompanying the announcement of the price, President Wilson declares it is the hope of the food administration and his own as well that the fixing of a price will stabilize the market and keep prices within moderate bounds for all transactions during the current year.

The price of flour, and bread, too, the President declares, will be kept down.

LOGAN SHERIFF HELD TO GRAND JURY ON DRAFT ACT

Russellville, Ky., August 29—Sheriff J. S. Taylor, of Logan county, recently removed by Governor Stanley as a member of the county exemption board, was held to the federal grand jury today under \$5,000 bond by United States Commissioner G. S. Hardy on the charge of conspiracy to violate the conscription act.

Five witnesses appeared before the commissioner and testified that they had been given promises of exemption by Taylor if they voted in the primary of August 4, as requested by the sheriff.

The case of County Judge J. W. Edwards, charged with being involved in the alleged conspiracy with Taylor, was postponed until September 8. He was released under \$5,000 bond.

MAYSVILLE PRODUCE MARKET

Following are this morning's quotations on country produce telephoned us at 9 o'clock by the E. L. Manchester Produce Company:

Eggs (loss off).....30c
Hens.....14c

Chiropractic

Adjustments Restore Health Quickly and Permanently

Nature is the Chiropractor's only aid — adjustments release the pressure from the nerves and make the way free for Nature to do her part in sending mental impulses through them to make and keep the body well.
